

**VACATION BIBLE SCHOOL 2010**  
***DON'T WASTE IT!***  
***GOING LIGHT ON GOD'S EARTH***  
**SUNDAYS, JULY 11, 18, 27 & AUGUST 1**  
**10 to 11 am**  
**For children ages 3-12**

This year's Vacation Bible School will take place on four consecutive Sunday mornings. Several mid-week field trips are also planned; more information to follow.

"The designer of the earth did not establish it to be a waste, but designed it to be lived in," says the prophet Isaiah. In the course of our program, the kids will explore how to make the best use of what we already have, and discover some new ways to give away those things we no longer need. We'll also learn what happens to the stuff we throw away, and find out what we can do to reduce waste in our own homes, schools and church. By the end, we hope to go a little more lightly on God's earth.

In order to provide the best experience for everyone, we need to know who is planning to attend. Please register on the form below and either mail it to the church or give it to Susan Steinberg. Children may join us for one session or for all four, and there is no charge for this year's VBS.

We need volunteers!

Please indicate your willingness to help. There will be a volunteer meeting on Sunday, June 27, at 10 am.
